Come learn about the new partnership between UW and the WI Turf Industry. Pesticide use issues on golf courses and other turfgrass sites are rapidly becoming a lightning rod for controversy around the country. The Common Ground Initiative is a new program managed by the UW turfgrass team designed to educate both the turfgrass industry and the general public about the impacts of pesticide usage, methods for reducing the non-target impacts of turfgrass pesticides, and efforts that turfgrass managers in Wisconsin and elsewhere are undertaking to minimize the non-target impacts of their pest management programs. (CEU's have been applied for)
